

INSTALLATION

TOFINO & LUMBY - Advertising Flags

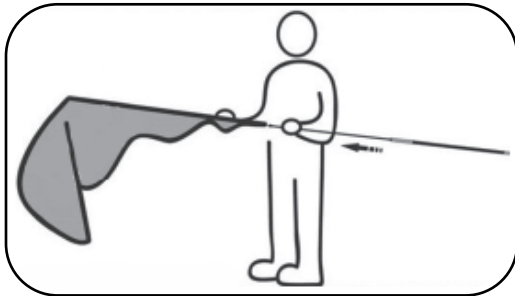

1

The package includes:
- A carrying bag.
- 1 fiberglass pole
- 3 metal poles
- Tension string
Optional:
- Base

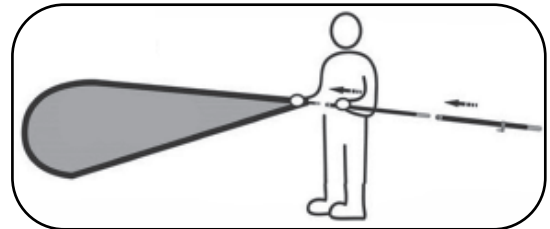

2

Assemble the first 2 tapered fiberglass, starting with the thinnest rod and then adding the next size. Make sure that they are fit tightly together.

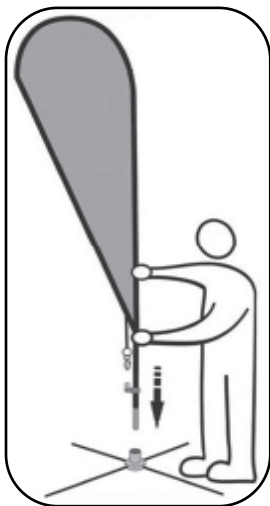

3

Insert these 2 rods into the sleeve on the side of the banner.

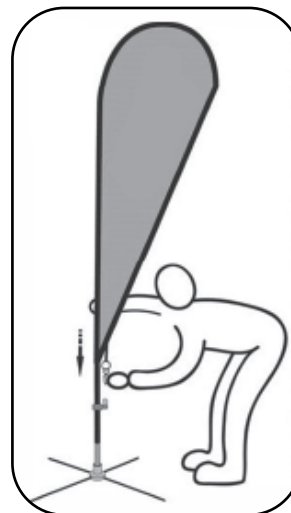

4

Add the next two metal rods until the top rod has been pushed all the way until the end of the sleeve.

5

Secure the metal spring clip on the bottom of the banner to the movable anchor point on the bottom rod.

6

Adjust the anchor point by moving it up or down, if you think the banner is too tight or too loose.
